

PICTURE DAY - SCHEDULE

Sunday, April 25th 2021

Please see detailed schedule below for Picture day 2021. Photos will be taken at Dance Inspiration by Micheal Dwyer Photography. Individual and group class photos will be taken. Dancers should arrive dressed in their first costume a few minutes prior to their scheduled time. The smaller dance room will be used as a dressing area on this day for those needing to change into additional costumes. Remember to bring dance shoes and accessories, and note dancers are allowed to wear their hair and makeup however they choose for photo day.

You will use 1 order form per costume. The forms will be available in the studio lobby prior to picture day and on picture day. You will fill out a separate order form for each costume/class and turn it in as you are photographed in that costume. If you have more than one order form, full payment can be included with last form. You are NOT required to purchase photos, but it is nice to have all attend for those who will be purchasing the class photo.

Only students and instructors will be allowed in the photo room, parents will wait in the lobby area.

Please note the following Covid safety protocols for Picture Day:

- *Only one adult should accompany their dancer.
- *Dancers will stand on floor markers to keep socially distanced while waiting in line for photos.
- *The lobby and dressing area will be set up to help promote social distancing.
- *Dancers will be allowed to remove their mask for the photo.
- *Class poses will be planned ahead of time by the instructor to keep group posing time to a minimum.
- *Face masks are required to be worn by all dancers, parents, and staff while inside Dance Inspiration, and may only be removed by dancers when it is their turn for a picture.
- *Students that have multiple photos over the course of the day are allowed to stay at the studio, but encouraged to wait outside (weather permitting) or in their vehicles during breaks.
- *Absolutely NO FOOD or snacks will be allowed in the studio on the picture day. Any food consumed must be eaten outside or in your vehicle.
- *Anyone experiencing any symptoms, or with known exposure should stay home and not attend.

IMPORTANT: If your dancer is unable to attend their scheduled photo time, OR if you do not feel comfortable having your dancer pose in the group photo, but would still like to purchase individual photos, please let us know as soon as possible. We will be organizing group poses ahead of time at class, and it will be helpful to do so with only those that will be involved so no changes will be necessary.
