One-day workshops give your dancer the opportunity to focus on a specific area of dance. They are designed to improve competency on a certain skill. The short time commitment of these workshops is an added bonus!

- **LEAPS...Monday, June 4th 5:00-7:30PM**
Elevate your leaping and jumping ability. This class will incorporate stretching, strengthening, and the breakdown of skills needed to master a variety of leaps and jumps. Two skill levels offered.
- **B-BOY TRICKS...Tuesday, June 12th, 5:00-7:30PM**
